# FUNPAR

17/04/2020

The **Development of Infrastructure Projects Fund** (FUNPAR) was created by Law 19811/2019, of accounting nature, with the purpose of providing credit for the structuring of partnership projects, under the terms defined by regulations.

The management of Funpar will be performed by Agência de Fomento do Paraná Ltd. (Fomento Paraná), the state's funding agency, which will act as trustee of the State of Paraná in its operation.
